Asthma: ICD-10 codes J45-J46 as underlying cause of death

* Rate not calculated for fewer than 5 deaths in this category.

^a All rates are per 100,000 population. Rates may vary slightly from previously published data due to updated population figures.

^b Adjusted rates are adjusted to 2000 Standard U.S. Population.

^c Deaths with unknown age, region or race/ethnicity are reflected in the county total, but not in the individual categories. Category sums may not add up to county total.

^d Race/ethnicity data may be different from previously published data due to reporting modifications.
