Notes: Late prenatal care is care beginning in the third trimester. Births with unknown prenatal care status were excluded from the denominator in rate calculations; comparisons should only be made with similarly calculated rates. The increasing number of births with unknown race/ethnicity affects the accuracy of statistics by race/ethnicity.

\*Rates not calculated for fewer than 5 events; interpret with caution rates calculated for fewer than 20 events since they are considered statistically unreliable.

Source: State of California, Department of Public Health, Center for Health Statistics, Birth Statistical Master Files.

Prepared by County of San Diego, Health and Human Services Agency, Maternal, Child & Family Health Services (MCFHS).
