CURE+

*A Binational HIV/
AIDS Referral Program*

What do you do when your
HIV/AIDS patients move
between the United States
and Mexico?

CURE+

A BINATIONAL HIV/AIDS REFERRAL PROGRAM

What is CURE+

CURE+ is a referral program for HIV/AIDS or HIV-TB co-infected patients moving between the United States and Mexico. Services are available to health care providers and patients throughout the United States and Mexico. This program provides direct guidance for patients and facilitates the exchange of information between providers in both countries. CURE+ is based, in conjunction with the CureTB Program, in the TB Control Program of the San Diego County Health and Human Services Agency.

What is the primary goal of CURE+?

The primary goal of the CURE+ Program is to facilitate access to health care services and continuity of care for HIV/AIDS or HIV-TB co-infected patients moving between Mexico and the United States.

HIV/AIDS
Control has no
Borders

What types of services does the CURE+ Program provide?

- ◆ Referral of HIV/AIDS or HIV-TB co-infected patients who travel between Mexico and the United States.
- ◆ Requests for a patients' clinical history while he/she resided in Mexico or in the United States.
- ◆ Technical assistance to health care providers in Mexico and the United States.
- ◆ Education and guidance of HIV/AIDS or HIV-TB co-infected patients.
- ◆ Education of relatives or persons affected by HIV/AIDS .

To send a referral or request services or information for patients, call our CURE+ staff .

Who can access CURE+ services?

1. **Health care providers:** any health care provider from Mexico or the United States can request services from the CURE+ Program.
2. **Patients:** patients may request information about HIV/AIDS or HIV-TB co-infection and how to access medical services in Mexico or in the United States.

How do I access CURE+ services?

Fax a completed Cure+ referral form to (619) 692-8020 or call our staff at (619) 692-5794, (619) 692-5585 or (619) 542-4013 to request information or forms.

What is the purpose of the CURE+ 1-800 number?

The purpose of the 1-800-789-1751 toll-free number from anywhere within the U.S. or 001-800-789-1751 from anywhere within Mexico is to eliminate barriers to communication. Patients can use the number for questions about their continuing care or how to access care on either side of the border. Providers with no access to long distance telephone services can use the number to initiate CURE+ referrals or ask about the status of patients they've referred.
