Upcoming Conference--STDs in the 21st Century

STDs in the 21st Century, a one day conference presented by the California STD/HIV Training Center, will take place on Friday, May 17, 2002 in San Francisco at the Westin Hotel. Topics covered will include current information on: Innovative Clinical Strategies for Chlamydia; Controversies in HPV Management; STDs and HIV; New Approaches to Syphilis; and HSV Serologies, Treatment and Vaccines. Presented by nationally recognized STD faculty (see attached agenda).

You may register on-line at www.RDLent.com, or by contacting RDL Enterprises at 916-443-0218/
Alex@RDLent.com

Scholarships to attend may be available to those for whom funding is an issue. For more information, contact Jolie Pearl, Clinical Training Coordinator at the STD/HIV Prevention Training Center 510-883-6659 / jpearl@dhs.ca.gov

New STD Treatment Guidelines

On May 10, the new STD Treatment Guidelines will be released as an MMWR Recommendations and Reports issue. Beginning May 10, the Treatment Guidelines may be viewed, downloaded or printed online from a hyperlink on the DSTD home page: www.cdc.gov/std. Copies may also be ordered for delivery in mid- to late-July by filling out an Online Order Form accessible from this same home page (Please note: the online order form may not be active until the week of May 13).
