WHY: The El Cajon Family Resource Center (FRC) provides hope and happiness through the gift of new toys to disadvantaged children and families who might otherwise be overlooked this holiday season. Through the generosity of community donations, the coordinated efforts of the Miramar Marine Air Station and the El Cajon Family Resource Center, toys will be distributed to approximately 200 needy children. Family Resource Center staff picked up the toys from the Miramar Marine Air Station and sorted through them to ensure age appropriate gifts are given to the children and families who qualify for the program.
