SAN DIEGO COUNTY HEALTH AND HUMAN SERVICES AGENCY REPORTS NINE NEW CONFIRMED CASES OF H1N1 INFLUENZA *One Hospitalized; Total Number of Cases in San Diego County is 24*

The San Diego County Health and Human Services Agency (HHSA) reports that the Centers for Disease Control and Prevention (CDC) has confirmed nine new cases of human infection with H1N1 Influenza in San Diego County residents, bringing the total number of cases to 24.

One of the new cases, an 18-year-old female, was hospitalized, but has since recovered. Two of them have a travel history to Mexico.

The probable cases that led to the closures of San Diego School of Creative and Performing Arts in Paradise Hills, Kearny High School in Kearny Mesa and Mission Hills High School in San Marcos have all now been confirmed as H1N1 Influenza cases by the CDC.

New cases confirmed today:

- A 9-year-old female
- A 12-year-old female
- A 15-year-old female
- A 15-year-old male
- An 18-year-old female
- A 20-year-old female
- A 42-year-old male
- A 51-year-old male
- A 53-year-old female
