COUNTY OF SAN DIEGO ■ HEALTH AND HUMAN SERVICES AGENCY

LONG TERM CARE INTEGRATION PROJECT

LOIS MARGARET KNOWLTON

Received her Doctor of Education from USD in 1992 and holds a Master of Science in Business Administration from Cal Poly, Pomona.

"I am the community representative for both the Poway ADHCC and the nonprofit Friends of Adult Day Health Care Centers. I attend many community meetings related to AIS and to the Palomar Pomerado Health District and a senior advocate in La Mesa."

JULIA RIEVE

Julia A. Rieve, RN, BSHCM, CCM, CPHQ, FNAHQ is the founder and president of CQI, a healthcare management consulting company in San Diego, California, specializing in utilization, quality, case and disease management. Ms. Rieve is a nationally renowned speaker, author and consultant. Her website can be found at: www.CQIhealthcare.com.

RACHEL PARKS

"I am an RN with a Masters in Psychology. I am a recent "transplant" to California (2 years). I have 20 years expertise in UR/UM, with a specialty in creating and implementing managed care programs in mental health for correctional systems. Currently I supervise the Chronic Care Disease Management program for Sharp Community Medical Group. We work with patients with Diabetes, Heart Failure, and are in the process of implementing a program for COPD."

DELIA MOLINA

Delia Molina and her sister were the primary caregivers for her father during 5 years of Alzheimer's Disease until his death in 1995. During this time, her father was cared for at home with the assistance of the County of San Diego's In-Home Supportive Services (IHSS) and Multipurpose Senior Services Program (MSSP). She has insight into the patient's problems in trying to coordinate both health and social services between the primary care physician's office and the home setting.

PEGGY YAMAGATA

Peggy Yamagata, a Registered Dental Hygienist, received her education at the University of Washington. Her professional career in dental hygiene has included: private practice, teaching, program development and management. Peggy has lectured at the local, state and national level and published in several areas including geriatric dentistry. For the past 12 years Peggy has served as program manager of the County of San Diego's Dental Health Initiative/Share the Care where she has been responsible for program development, implementation and over-site.

CAROL ROSKOS

Carol Roskos has been a key social worker on the team at Grossmont Rehabilitation Center for many years. As such, she is an excellent source of information regarding transitions from facility to home and home to rehab and all the problems that can potentially arise in those transitions.
