

*Be an ANGEL to our  
elderly and disabled clients*

With the holidays fast approaching, we are hoping to brighten this season for our less fortunate clients

The County of San Diego Public Guardian's Office serves as the legally appointed guardian or conservator for persons found by the Courts to be unable to take care of themselves or their assets; generally older, frail, and vulnerable adults who are at risk or have been a victim of abuse or neglect. Through this project, we hope to enrich the lives of Public Guardian clients who would not otherwise receive holiday gifts. Most of these clients are also without family or others to spend time with during the holiday season. Your donation will provide Public Guardian clients with gifts during the holiday season, which they will receive during their visits from PAPG staff members.

Some examples of items our clients need are:
