

## **Public Access Defibrillation Program Training & Program Development Organizations**

The following organizations have notified us that they provide program development and / or training in the use of AEDs. Many of them also offer on-going maintenance and access to prescribing physicians. You are encouraged to independently evaluate these organizations to determine which one offers the type of services that fits your needs. Symbols: PD = Program Development, T = Training.

The San Diego County EMS Agency does not endorse or recommend any specific consultant or training organization.
