- Represents zero events.

^a Ranks and rates are not calculated for less than 10 deaths.

¹ The race and ethnic groups in this table utilize nine mutually exclusive race and ethnicity categories. These categories are Hispanic and the following Non-Hispanic categories of Two or More Races, American Indian (includes Eskimo and Aleut), Asian, Black, Pacific Islander (includes Hawaiian), White, Other Race, and Unknown (includes refused to state). These groups are not comparable with race groups used in Vital Statistics of California reports prior to 2000. See Chapter 6

Note: See Chapter 4 for leading causes of infant death by race and ethnic groups and infant mortality rates.
