¹ Not stated' weeks of gestation categories includes not only those not stated, but also 280 live births of less than 17 weeks gestation and 1,362 live births of 53 weeks or more gestation. These categories reflect inaccuracies rather than actual gestation periods.

* Beginning in 2000, up to three races were reported on the birth certificates. The list of races identifies 2 or more race groups before selecting single races. The list of races on this table is not comparable to the list of races on previously published tables. See Chapter 6.
