- Represents zero events.

¹ Deaths occurring during the first 27 days of life.

² Deaths occurring between the 28th day and the end of the first year of life.

* Beginning in 2000, up to three races were reported on death certificates. The race/ethnic groups in this table provide a mutually exclusive list with Hispanic origin, 2 or more races and single races.

American Indian includes Eskimo and Aleut. These groups are only comparable with the year 2000 data tables. See Chapter 6.
