- Represents zero events.

1 The list of races in this table is compiled by identifying mothers reporting 2 or more race groups before tabulating single races.

This list of races is not comparable with races used in Vital Statistics of California reports prior to 2000. See Chapter 6.

2 Twelve births where the sex of child was not reported are included in the totals.

3 In 2003 there were ten quintuplet births.
